## COMPATIBLE EV-CHARGER

- Charge Amps Dawn

Next Green Poleplate Charge Amps Dawn is a charger mount to enable installation on a  $\varnothing$  60 mm pole. Poleplate is made of steel and powder coated to provide the highest durability and quality. Poleplate enables easy mounting of a charging box to a steel tube.

Poleplate is manufactured in Sweden for the Nordic climate. It has a powder-coated design to withstand wind and weather.

The Poleplate charging box mount is a cost-effective pole mount. Poleplate Charge Amps Dawn facilitates changing an engine heater station to a charging station and can be used to replace an engine heater central.
